

PT ELFRIDA PLASTIK INDUSTRI is a custom manufacturer of plastic film used in food, stationary, electronic, and sanitary packaging.

We are committed to provide on time quality goods and services to our customers with the most competitive price

All of our products pass the methodical quality control checks before being released from the factory.

We are ISO certified which will ensure the level of qualities required by our customers.

WHAT WE CAN OFFER

- mono, double or triple layered co-extruded Polyethylene ranging from LLDPE (Linear low density Polyethylene), HDPE (high density Polyethylene) and LDPE (Low density Polyethylene).
- PP (Polypropilene) film, we also produce embossed film for stationary.
- BOPP (Biaxially Oriented Polypropilene) can be converted into different kinds of products.
- CPP (Cast Polypropilene) for bread and tissue packaging.
- Shrink PE

All of the film can be printed up to 8 colors using rotogravure methods which equipped with automatic colour control.
